

Conference Agenda

SIGN-UP TODAY for the 2007 **GP MATE** User's Conference. By attending this conference, you can make a difference and help develop the future of **GP MATE**. Your valuable feedback allows us to develop new products and enhance existing applications.

GP MATE 6 Session: New Features and Enhancements Plan for Version 6

- ❖ Web Design
- ❖ Wireless Technology
- ❖ Crystal Reporting
- ❖ Our vision to make **GP MATE** more efficient for you

Open Discussion Session: A perfect opportunity for you to discuss **GP MATE** with current users and the **GP MATE** crew.

- ❖ Bring your **GP MATE** enhancements wish list
- ❖ Vote on the top enhancements
- ❖ Your vote **WILL** count

Advanced Training Sessions: **GP MATE** 5 Enhancements

- ❖ Receiving and Invoicing
 - Accrued Charges
 - Additional Charges
 - Discounts
- ❖ Routing Feature Re-Designed
 - Work Orders
 - PM Definitions
 - Purchase Requisitions
 - Purchase Orders
- ❖ New Scheduling feature allows swing shifts
- ❖ Standard Text Blocks

Hands-on Session: Explore the PDA Advantage

- ❖ Work Requests
- ❖ Cycle Counting
- ❖ Issues and Returns

“How To” Session: Visit with any **GP MATE** Representative and gain knowledge regarding something you always wanted to do in **GP MATE**. For example:

- ❖ Inspections and Calibrations
- ❖ Metered PM Generation
- ❖ RFQs

One-on-One Sessions: A beneficial opportunity to discuss your individual needs with any **GP MATE** Representative.

Please Note: Breakfast and lunch will be provided daily. During the **Tuesday Evening Social**, one lucky user will win a free dinner for two at Emeril's New Orleans, payable during the conference. Remember to bring your business cards. We hope to see you there!

You, your company and **GP MATE** will reap great benefits from a successful conference and great user turnout. We look forward to your attendance at the 2007 User's Conference in New Orleans. **Please register before April 20th to take advantage of the reduced cost for the conference.** Contact Karrie Sacks via e-mail kbsacks@gpmate.net or call 515-964-9599 ext.203 for questions or registration.
